About Cube It NZ Ltd:

Unique Selling Point

We bring storage to you - no moving companies, no trailer hire and no double-handling.

Business Description

Cube It provides an affordable storage solution to help reduce the stress involved with packing and storing your household items. We will deliver a storage cube directly to where you need it, give you the time you need to pack it, then collect it again and will store it for you until such time as you need it. Our Cubes have multiple purposes - for building developers on construction sites to families storing seasonal items, people moving between houses and businesses requiring financial record storage.

Products and Services

Portable Self Storage in Tauranga - let us bring it to you, you pack, we'll store.
