About Bluelight PC:

Unique Selling Point

Bluelight PC is a smaller family business that operates from residential headquarters and while still focused on mainstream business also takes into consideration of the elderly and can spend time Aquanting a decent rapport with this age group.

Business Description

Bluelight PC was established in 2017 & offers great deals for customers of all types. Here at Bluelight PC we believe it is crucial to keep as up to date as possible with technology as it is constantly changing and evolving.

Some of the things we do:

Hardware and Software troubleshooting, Hardware and Software Upgrades & Installations, virus, spyware & malware removal, System health checks and performance enhancement optimizations, data backups & data recovery, help with PC setups, Antivirus/Anti-Malware installations, data transfers, router setup and network assistance.

Products and Services

At this point in time because of COVID-19, Bluelight PC is providing a contactless service which consists of Remote Support!.
