## About Kritter Supplies NZ:

### Unique Selling Point

Practical active wear and sports products for your dog. Whether your into obedience, agility, hiking or hunting.  
Quality because you rely on it.

### Business Description

I started this business because I love my dogs and spending time with them, however I was frustrated at not being able to find quality products that worked at a reasonable price. So Kritter Supplies NZ was born.  
Our aim is to bring our customers quality products that work at a good price.
